## HEAD TEACHER'S NOTE

We are delighted that 21 applications have been received for our second Year 3 class. This means that all those who applied have been offered a place for their child from September 2017. We think our current Year 2 children will benefit hugely from the increased numbers in their year group. They will meet their new classmates in the summer term when all new starters are invited to visit the school. If any of you know of other parents interested in applying for a Year 3 place, we are still able to accept applications, so please do put them in touch with the school office.
