HEAD TEACHER'S NOTE

Great news from our building contractor Morgan Sindall that scaffolding to the Bellenden Road elevation of the school will be removed starting Thursday 10 November. We're very excited to see our building unveiled - heritage work to the masonry on other façades has been stunning. On Monday 14 November work will commence on the foundations of the new extension.

CALL FOR DONATIONS!

Friends of Belham will have a nearly-new stall at the Christmas Fayre and are looking for donations. If you have any unwanted **toys, books and children's clothes** to donate, please bring them along at drop-off on either **Friday 25 November** or **Monday 28 November**. Collection points are:

Faith Chapel: porch area in Reception classroom

Thomas Calton: leave with Claire in reception

If either of these dates don't suit, email Linen class rep Julie Fahy at julie_richelle@outlook.com and she will organise to get them from you separately. Many thanks in advance!

CHRISTMAS TREES

For many years Dulwich Hamlet has organised the sale of competitively-priced Christmas trees through a high-quality supplier, with profits going to the school. Friends of Belham has arranged to extend this arrangement to Belham parents and carers. Trees can be pre-ordered by height and will be delivered to the Copleston Centre for the FoB Christmas Fayre on Saturday 10 December. Payment is by cash on collection. Twelve people have expressed an interest so far – we need more to make this opportunity viable. Email Michael Sharman at msharman@rocketfuel.com if interested.
