

## HEADTEACHER'S NOTE

FoB (Friends of Belham) has run many successful fundraising campaigns over the years, with this year's summer fair being no exception! A phenomenal amount of money was raised for the school, the majority of which will be used for school projects or resources. I would like to thank Kathryn, the FoB committee and everyone else who organised the fair or helped on the day.

'Parent Power' is certainly the theme this half term, with a high number of parents volunteering to help refurbish the Reception playground last weekend. Children now have brand new play equipment, as well as a bug hotel, a mini wildlife pond and a refreshed mud kitchen! A huge thank you to all involved, with special thanks to Doug and Maddy Tee. You can see photos of the team in action in the 'Friends' Friendly' below.

In preparation for the Queen's Jubilee celebrations, Chef Leo and the catering team treated the children to an extra tasty, special Jubilee lunch this week. Whatever you are doing for the extended bank holiday, I wish you a happy and restful break!

## THANK YOU FRIENDS OF BELHAM!

A HUGE thank you to FoB for such a successful summer fair, which managed to raise **£4573!** This is an incredible amount of money and we are so grateful for all the hard work and effort put in to pull it all off and to all our families for coming along and supporting us on the day!

## RECEPTION PLAYGROUND HAS BEEN REFURBED!

A big thank you to all the volunteers who came out in force to give the reception playground a makeover! It was a really fun atmosphere, luckily with great weather. We got the back wall scraped back and painted brilliant white. We also assembled a new performance stage, a reading hut and a set of planks and poles for creative play (all funded from your generous participation at FoB events). There will also be some climbing cubes and a fantastic wooden water wall arriving in the coming weeks. The mud kitchen area got a revamp and the sand pit now has actual sand in it! The wildlife corner has been laid out, with a sunken pond, a log pile and a bee hotel.
