HEADTEACHER'S NOTE

Next Tuesday it is **Safer Internet Day**, a day marked globally in February each year to promote the safe and positive use of digital technology for children and young people. This year's theme '*All fun and games? Exploring respect and relationships online*' will be introduced in a virtual assembly, and there will be a range of activities that pupils will do in the classroom to further explore this theme.

We will continue to send out the parent guides from *National Online Safety* each week with the Belham Buzz. These are handy leaflets full of information about different apps and programmes that your children might use.

For further information and ideas about how you can support your child, go to www.saferinternetday.org.uk
