

The Team...

On 7th November, the Friends of Belham (FoB) held their annual AGM, during which several members of the committee and other class reps stepped down. A new panel was elected and we are delighted to announce the following positions:

- Vacant Postion - Secretary

- The other representatives on the committee are:
- Sally Birch

The full list of class reps now includes:

We are incredibly grateful to the outgoing committee and class reps for their contributions and all their fundraising efforts to date.

The new committee are really excited about the year ahead and putting on the events we have planned so far.

Just as a reminder - every parent/carer is a member of FoB. We exist to raise funds for the school and to otherwise organise fun, social events for the children and parents/carers.

If you have an idea about a fun event we could organize, a fundraising idea, a suggestion how our funds might benefit the school or just want to meet other parents, please just approach your class rep or drop an email to: friendsofbelham@gmail.com

We would LOVE to hear from you!
