

Principals

A little bit about us

Principals is one of the UK's longest established school caterers, providing sustenance to students for almost 30 years and we really know our onions – sourced, like many of our ingredients, from British farms. We have long been pioneering in our approach to school meals, producing beautifully cooked fresh food for the next generation, and we are proud to say we are creating future foodies every day.

We champion great food and communal eating experiences that promote health, happiness and wellbeing.

Our food

We are fanatical about food and healthy eating and are proud of our 'cook from scratch' approach. Most of our vegetables, meat and eggs come from Kent and our suppliers are certified to national standards that ensure high quality and excellent animal welfare.

Our menus are created to make the most of seasonal ingredients and are accredited to the Soil Association's Bronze Food for Life standard. We will offer three hot choices daily, including delicious vegetarian dishes, and our salad bar is legendary, with a choice of 10 simple and big bowl salads and lots of dressings and toppings on the side.

The Pudding Club will feature three choices, with fruit, yoghurt and homemade treats and the children will be able to help themselves to water and homemade breads, all laid out on the dining tables.

Hello from Principals Catering!

We are proud to be the new caterer at The Belham Primary School and can't wait to take you on a journey of change to improve the food and service. We want to revolutionise school lunchtimes and show you what catering for the future really means.

Creating a culture of food

To help children understand where their food comes from, we work to create a culture of food in our schools. We sponsor vegetable gardens, invite suppliers and experts to talk at assemblies, hold cookery classes and celebrate global culture with theme days and pop-ups.

Our 360-degree approach links growing, menu composition, cooking and lifestyle tips to take home.

Connecting with parents

To reassure you that your children's wellbeing is at the heart of our service, we will take every opportunity to meet parents and guardians, getting involved with school events, hosting parents' evening and communicating regularly.

We can't wait to get cracking!

Principals is ready to take The Belham on an amazing journey that offers a real point of difference by delivering an advanced marketing and community programme unique to your school. Our focus is fixed on the catering team who will deliver the best customer service, looking after your children and nourishing them with beautiful food cooked from scratch.
