

Remote Education Policy

The Belham Primary School

Approved in Principle September 2020

1. Statement of School Philosophy

At The Belham Primary School we have always strived to be creative, innovative and support our parents/children in the best way possible to make learning purposeful and holistic. Our strategy for remote learning continues this.

2. Aims

This Remote Education Policy aims to:

- Ensure consistency in the approach to remote learning for all pupils (Inc. SEND) who aren't in school through use of quality online and offline resources and narrated PowerPoint slides.
- Provide clear expectations of members of the school community with regards to delivery of high quality interactive remote learning
- Include continuous delivery of the school curriculum, including our BELHAMITE Values
- Support the wellbeing of pupils, staff & parents
- Support effective communication between the school, families and support attendance

3. Who is this policy applicable to?

- A child, and their siblings if they also attend The Belham, who is absent because they are awaiting test results and the household is required to self-isolate. The rest of their school bubble are attending school and being taught as normal.
- A child's whole bubble who are not permitted to attend school because they, or another member of their bubble, have tested positive for Covid-19.

Remote learning will be shared with families when they are absent due to Covid related reasons. Children will be provided with a workbook for the first two days of remote learning. After this they will be able to access lessons. These will be provided by a member of teaching staff in various forms including PowerPoint slides and links to online resources.

4. Content and Tools to Deliver This Remote Education Plan

Resources to deliver this Remote Education Plan include:

- Online tools: ClassDojo, Google Drive and in the event of bubble closure Google Meet
- PowerPoint Slides for English and Maths lessons. Videos/photographs of teacher modelling where required. The slides will be clear to follow

5. Home and School Partnership

The Belham Primary School is committed to working in close partnership with families. We recognise that each family is unique and because of this, remote learning will look different for different families in order to suit their individual needs.

We will provide links to an online training session and induction for parents on how to use Google Classroom and ClassDojo as appropriate, and where possible, provide personalised resources.

Where possible, it is beneficial for young people to maintain a regular and familiar routine.

We would encourage parents to support their children's work, including finding an appropriate place to work and, to the best of their ability, support pupils with work encouraging them to work with good levels of concentration.

Every effort will be made by staff to ensure that work is set promptly. Should accessing work be an issue, parents should contact school promptly and alternative solutions may be available. These will be discussed on case-to-case basis.

All parents will need to agree on behalf of their children to abide by the Home-School ClassDojo Policy: http://www.thebelhamprimaryschool.org.uk/uploads/3/8/5/1/38515623/classdojo_policy.pdf. The link to the electronic agreement is [here](#).
