

School Development Plan 2017-18

OUTSTANDING LEARNING

Target 1: Each year group, including PP/LAC pupils, meets aspirational Reading, Writing and Maths targets, exceeding end of year national expectations
Target 2: Children develop the necessary skills and strategies to become resilient and independent learners

GLITTERING CURRICULUM

Target 3: Children develop a love of learning as a result of the creative, artistic, innovative and far reaching curriculum, which makes full use of outdoor spaces and London as a key resource

EVERYONE MATTERS

Target 4: Implement systems to support the personal development, behaviour and welfare of pupils, with a particular focus on integrating the new Year 3 pupils
Target 5: Ensure that rigorous health and safety/safeguarding procedures are in place that go above and beyond compliance

HEART OF THE COMMUNITY

Target 6: Children develop and actively demonstrate an outstanding understanding of what their role is in the local, national and international community
Target 7: To ensure that the Belham has become fully rooted in the community in which it serves, with parents and carers fully engaged in all aspects of school life
Target 8: The school works collaboratively and generously with other school partnerships, including those within and beyond the MAT, to support school improvement
