

Sports Premium Report

Our Vision

At The Belham Primary School, PE and school sport is seen as a key factor in providing an inclusive and exciting education. Having high quality PE lessons throughout the school, we aim to provide the opportunity for pupils to develop and become healthy, confident, competent and enthusiastic individuals, who have the skills to participate and be sports leaders in extra- curricular activities. The school sports premium will be used to further enhance the PE and sports provision at 'The Belham' and to promote a healthy lifestyle.

What is the Sports Premium?

The primary P.E and sport premium is paid to schools to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, to encourage the development of healthy, active lifestyles.

All schools with 17 or more primary-aged pupils receive a lump sum plus a premium per pupil. Below you will see our four-year spending strategy.

Our Long-Term Spending strategy:

Over the last four years we have used the Sports Premium Funding to establish a broad range of sports taught as part of our standard curriculum (this included purchasing equipment and training staff); we have expanded the range of opportunities in our wrap around care (we now have around 6 free before school sports practices and 22 paid for after school clubs – many of which are sports based); we have enhanced our lunchtime provision to get children active during break times; we have established ourselves in the competitive circuit of both the state and independent sectors in our area.

In the last year (2019-20) we have invested in our own in-house sports coach who has been able to better facilitate a broad and balanced provision that enables every one of our children to succeed and we have worked with other stakeholders to set up our own Peckham sports league and interhouse lunchtime leagues.

Our spending for the last year can be seen below.

Outgoings in the year 2019-20 were slightly over our grant of £18,290 this is due to COVID19 which obviously impacted many of these plans and has set us back slightly in some of our long-term goals as we had to reallocate funds to provide alternative provisions.

To manage remote learning and the pressures that lockdown put upon our families we quickly set up weekly yoga, dance and PE recorded lessons for all age groups that we made freely available (to the wider community) via our website.

Sports Premium Report

Spend for 2019-20 – against a grant of £18290

Remote Provision	£2,380.00
Top Up Swimming	£1,344.00
Resources	£3,330.00
Competitions	£840.00
Yoga	£1,200.00
Sports Coach	£9,217.00
Total	£18,311.00

While the amount of the grant for the year 2020-21 have yet to be published- reports suggest it will be similar to this year (meaning we should expect around £18,900) Our priorities are:

- Promote Swimming (top-up lessons for Yr. 4, COVID catch up lessons Yr. 5/6 & Swimming gala - £1792
- Develop competitions (Inter house leagues, Peckham primary plaque and other local leagues) - £1762
- Nutrition & Obesity (Promoting active lifestyles, nutrition training for staff and children) - £3587
- CPD (developing staff to create capacity for more sport) - £1395
- Broadening Curriculum (before school sessions, specialist staff and equipment) - £8952

Measuring the Impact

We will evaluate the impact of the Sports Premium funding as part of our normal self-evaluation and provision mapping arrangements. We will look at how well we use our Sport Premium to improve the quality and breadth of PE and sporting provision, including increasing participation in PE and sports so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

Measuring the impact of the activities provided with sports premium funding can be achieved in different ways. We will look at progress in PE as well as other areas of development such as self-esteem, confidence, and the number of pupils involved in sporting activities in and out of school. We will also evaluate the impact of professional development opportunities in improving teaching and learning in PE.

We know that measuring the impact for the year 2019-20 will not be possible due to the pandemic.
